Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 06 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning very windy by the morning as Storm Barra arrives.

This Evening and Tonight:
Showers of rain, and possibly hail, will affect western areas this evening, drier overnight for all with clear spells. Turning cold, with a risk of ice in the east by the morning. Becoming milder and windy in the west. Minimum temperature -3 deg C (27 deg F).

Tuesday:
Storm Barra arrives, turning very windy especially along northern and western coasts with large waves expected. Cloudy and wet at first, turning brighter with heavy rain or hail showers later. Maximum temperature 10 deg C (50 deg F).

Outlook for Wednesday to Friday:
Remaining windy on Wednesday with showery outbreaks of rain and hail. Drier, calmer and possibly brighter on Thursday. Breezier with some rain Friday. Remaining cold.
